 A life-saving charity

Over the last 18 years, Marden has been home to the Kent, Surrey and Sussex Air Ambulance. We have very fond memories of our time here and have developed a life-saving service which we are all proud of.

We are moving to Rochester Airport soon, and so we would like to invite you to join us at our event - Goodbye, Marden. Please join us to help us celebrate our time here! We would also love the opportunity to say a big thank you for your support over the years.

We look forward to seeing you soon!

Friday 27th April

Please let us know the name of your business and how many guests you will be bringing with you.

The evening will begin with drinks and canapés, shortly followed by a presentation. There will be an opportunity for you to see our helicopter up close (subject to emergencies) and to meet our crew.

Our event will take place in the hangar space to the rear of our charity offices.

Thank you for your support - see you soon!
