I have gained a place to go to Ghana in Easter 2014 with my school Oakwood Park, and I am raising £1800 to fund this trip. Whilst we are in Ghana we will be working in partnership with Elmina School, helping with projects such as building work on the school, working on the playground and maybe organising a sports day for the children.

I hope you can come to Ghana-Rama to support me?

I look forward to seeing you on the night. Thank you. James Stanlake
